

Testimonial – Dayle A.

I would highly recommend my friends and family to TCT. The staff and clinic are very welcoming, accepting and accommodative, when I visit the clinic I always feel as though I am visiting good friends. The registration process to become a member was quick and painless. With a wide variety of high quality medicinal products, friendly staff, and being available 6 days a week in a convenient location, I will continue to be a patient of the clinic.
